Captain John J. McKenna IV Military Courtesy Room

Albany International Airport

Albany, New York

Volunteer Application

Mission/Policy Statement :

Recognizing the sacrifices our military service men and women make for our country, the Military Courtesy Room project proposes to create a welcoming environment for traveling military personnel at the Albany International Airport. This environment will provide a place to rest and recreate between flights and provide light refreshments and an atmosphere that enhances the morale of those who are away from home.

We ask that all volunteers understand that this room is for the benefit of the troops. There is to be no negative talk of the politics of the war with the troops that enter the room or any expression of criticism that could even remotely be interpreted as criticism by any military personnel. Keep in mind that many of the troops could be either heading into harm's way or just returning from a battle intense environment. Our purpose is to provide comfort, a smile and a positive setting so please avoid any controversial topics either with the troops or other volunteers. You are representing the great folks of Capital District so please, dress, behave and speak accordingly. Thank you for completing this application form and for your interest in volunteering with us.

At this time the plan is to have the military courtesy room open from 8am to 8pm. Training/orientation will be provided on as needed basis. The plan is to have 2 volunteers present for each shift.
